

Technology Committee Meeting  
Minutes  
January 13, 2009

Attendance

Jared Bloom  
Keith Galea  
Arlene Barlam  
Eva Demyen  
Frank Wilkinson

1. The committee asked for an update on the 2009/2010 budget for Instructional Technology. Dr. Bloom discussed the key areas of the budget, including the allocation of money for a new library automation system and additional library databases.
2. The committee reviewed the plans for the EXCEL projects as they relate to Instructional Technology.
3. Mr. Galea asked about the Model Classroom program for the 2009/2010 school year. Ms. Demyen and Dr. Bloom discussed the application process.
4. Mr. Wilkinson asked Dr. Bloom to look into off-site email and file archiving. Dr. Bloom is currently researching various solutions and pricing models and will report his findings to the committee.
5. Mr. Wilkinson asked Dr. Bloom to revise the budget to include Gale databases and the ENO by Polyvision. Dr. Bloom will submit a revised budget request to Ms. Jimenez.

Submitted by Dr. Jared Bloom, District Administrator of Instructional Technology
