

Technology Committee Meeting
Minutes
October 13, 2009

Attendance

Jared Bloom
Eva Demyen
Frank Wilkinson

1. The committee asked for an update on the 2009/2010 summer projects. Dr. Bloom reviewed the following projects:
 - a. Nutrikids - updated lunch program with online payment program
 - b. Destiny - updated library system with home access
 - c. Core Switch and Closet Switches at DPHS, RF and JFK
 - d. New Labs at JFK
 - e. Installation of 60 Smart Boards
2. Dr. Bloom and Ms. Demyen discussed the need to replace the current voicemail system. Dr. Bloom will be meeting with vendors and will share information.
3. Dr. Bloom discussed the email archiving programs that he has reviewed. Mr. Wilkinson asked to see additional information on Barracuda.
4. The committee discussed projects for 2010/2011. Some of the projects include:
 - a. Sharepoint Server
 - b. PBX System
 - c. Updated Technology Plan
 - d. Macbook Cart for Music
 - e. Additional Smart Responder Kits
 - f. Additional 1:1 Laptop Pilots

Submitted by Dr. Jared Bloom, District Administrator of Instructional Technology, Data Warehousing and Information Systems.
