Subrina Oliver  
Frank Wilkinson

1. Dr. Bloom provided the committee with an overview of the new website. He explained that a presentation will be made to the BOE on December 2, 2008.
2. Mr. Wilkinson asked for an update on the portal. Dr. Bloom provided an overview of the Deer Park Infinite Campus Parent Portal and messenger system.
3. Mr. Galea discussed the importance of using time frames for the reports.
4. Ms. Oliver talked about the benefits of having due dates on the portal. Most teachers use the eBoard for this functionality; however, they can use the messenger functionality to email assignments and due dates.
5. New Dell computers for MM, JQA and the HS have arrived. Computers are going to be installed as soon as possible.
6. New Lexmark laser printers were ordered and should be delivered in the next few weeks. They will be used to replace the broken printers and to save money on ink.
7. The committee discussed the possibility of adding a color laser printer to the copy room in each building.
8. The committee discussed the budget for the upcoming 2009/2010 school year. Dr. Bloom provided an overview of the proposed budget. Mr. Wilkinson made some suggestions to Dr. Bloom. Dr. Bloom will revise the budget to reflect the suggestions.
