John Gouskos  
Frank Wilkinson  
Jared Bloom  
Susan Bonner

1. Dr. Bloom gave a brief status update on the various technology projects.
  - a. New Voicemail System - Testing begins on November 1, 2010
  - b. Two additional Smart Boards installed at each building
  - c. New switches are being installed at AL and MM
2. Mr. Wilkinson requested that the district maps be updated with IP addresses.
3. Mr. Gouskos asked the committee to revisit Ms. Bonner's idea of a tech night for parents. Mr. Wilkinson suggested that it be set up like a trade show. Ms. Demyen will work with IT and the schools to schedule in the spring.
4. The committee discussed asking the BOE to update the AUP to include a policy on the use of Optimum wireless that is now available in the area. Dr. Bloom will work on the policy with Ms. Demyen.
5. Dr. Bloom will continue to research various insurance options for the 1:1 program.
